"OUR VERY OWN"

School History

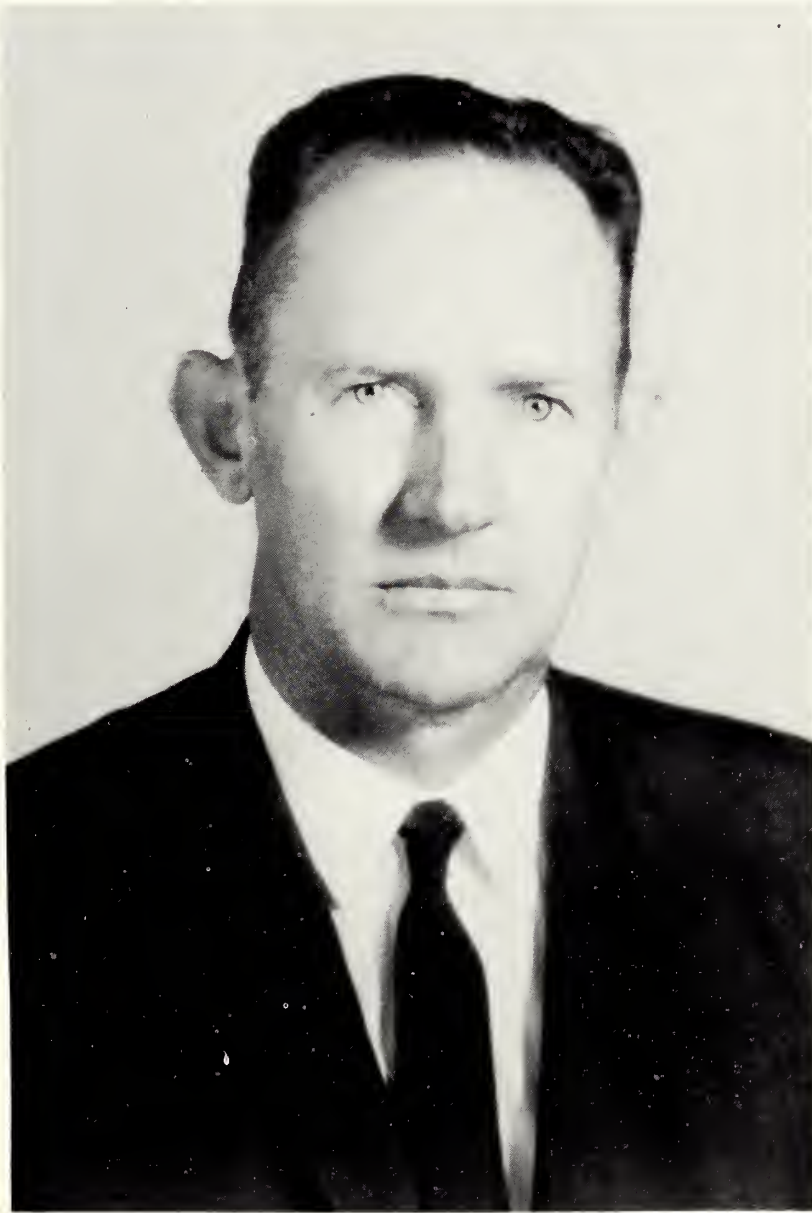

Our production was started by the men and women who built the first one and two-teacher schools in the Pleasant Grove Township. These people may be justly proud of the part they played in our production, but in the hearts of these leaders was a dream of a large, consolidated, rural school. The second part of our production was completed in 1922 when five one and two-teacher rural schools, Mahan, Sidney, Squires, McCray, and King joined together and became one school---Pleasant Grove. At the beginning of the school year, only two rooms and a wooden auditorium were finished. Because of a misunderstanding among the patrons, the high school students in 1924 were moved to Haw River School; this change was only temporary, because the high school students were returned to Pleasant Grove in 1925.

The next few years were important in our production; four more rooms were added to the building in 1928. The Parent-Teachers' Association, organized in 1929, has performed many beneficial services for us. In 1931 Union Ridge and Hickory Grove were joined to Pleasant Grove. In 1933 the school's first lunch room was operated, and in 1934 courses in home economics and agriculture were offered. A separate building was built for the agriculture

department in 1936. A library was established in the main building in 1937. The next part of our production was led by those who visualized future needs of the school and in 1942 bought three acres of land. In 1946 the lunchroom and kitchen were enlarged and modern equipment purchased. In 1953 a major step was made in our production by the erection of a new, modern building, including a gymnasium, home economics department, library, and cafeteria. In 1955, the County Board of Education made another important step in our production by purchasing ten acres of land for a playground. In 1960 because of increased enrollment and additional teachers, it was necessary to divide the auditorium into four much-needed classrooms.

We feel grateful for the educational heritage we have received; not only for the land, buildings, and equipment, but also for the knowledge acquired, the standards of character developed, and the friendships made. As we take our places in the community, we shall consider it our privilege to maintain the educational advantages provided for us because of others' efforts and to increase and to present more and better opportunities to the next generation so that we, too, may do our part in this great production.

"IT SHOULD HAPPEN TO YOU"

Dedication

In making its production, the yearbook staff proudly dedicates its Amo-ena to Mr. Ross Lee Smith. As our friend and teacher of mathematics, he has made a name for himself which is synonymous with sincerity, earnestness, and integrity.

For one who has meant so much to us, a page seems insufficient space in which to express our gratitude and appreciation.

In the last year of our production at Pleasant Grove, the Seniors found their hours filled with wonderful and stimulating experiences. Early in the year the Seniors elected their mascots, superlatives, grade parents, and Amo-ena Staff. Cecil Thomas, Joan Oliver, and Judy Dickey were initiated into the Monogram Club. Ten Seniors, Michael Rascoe, Alice Massey, Reid Hughes, Jimmy Stephens, Kay Jeffreys, Pam Small, Pat Faucette, Judy Dickey, Tommy Thompson, and Cecil Thomas received their sweaters representing the various sports in which they had participated.

As this goes to press, the Seniors and Juniors are planning a joint trip to our Nation's Capital, Washington, D. C.

The Christmas party at school, the Twirp Twirl, the fun and romance of the Junior-Senior Banquet, the ordering and mailing of invitations, and the final examinations will bring the Seniors to the end of their production-graduation, the goal of these twelve years. May their individual productions in life be a credit to their Alma Mater!

In this movie, The Production of P.G.H.S., the junior class has provided many outstanding characters who played their various roles.

With the leadership of our officers and advisor, who are pictured above, we had a successful year. There were five students who worked diligently to help produce what they think is the best "AMO-ENA" ever to be printed.

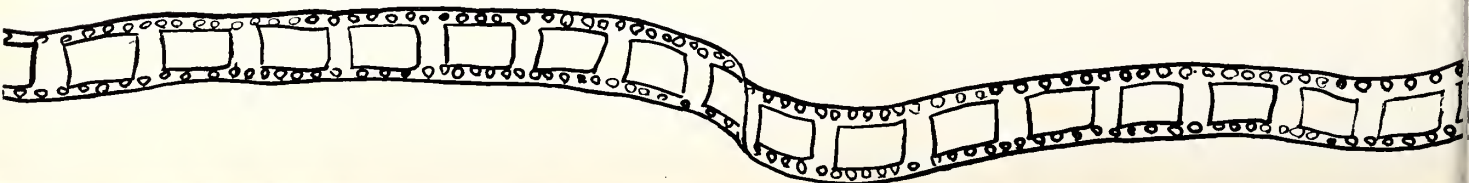

Throughout the year to challenge us, there were examinations, grades, scoldings, and trips to the office. To offset these, we had parties, dates, ball games and interesting and romantic conversations in the hall.

April arrived and the Juniors and Seniors

were Washington bound. Then in May, we honored the Seniors with a Junior-Senior Banquet at the Elk's Lodge. This memorable event, one of the highlights of our Junior year, will live in our hearts always.

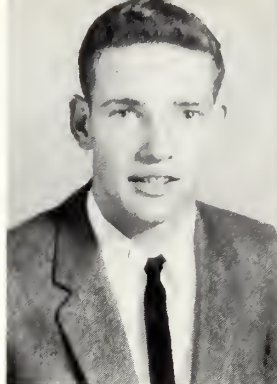

The Juniors will remember the day our class rings arrived. These rings proved to be the symbols of our achievement of three difficult but prosperous years in high school.

To climax this feeling of having nearly achieved our goal, we, the Juniors, on Class Day 1961, took our places as Seniors of Pleasant Grove High School. We are no longer followers, but now the leaders!

During the year the sophomore class made many contributions to its Production of P.G. H.S. The class selected Angela Carey, Judy Thompson, Don Oliver, and Randy Councilman to lead them in work on the Amo-ena. Elected to serve on the student council were Don Oliver, Sylvia Coleman, and Judy Thompson.

Several class members contributed to the filming of athletics through their participation in basketball and baseball. Judy Thompson was chosen as sophomore cheerleader. The class was proud to have Pat Billings and

Sylvia Coleman initiated into the Monogram Club. Many of the Sophomore girls made a contribution to the Christmas program presented by the Glee Club.

English examinations, "Julius Caesar" and "Silas Marner" projects, and biology notebooks were not the year's only activities and were sometimes forgotten in the excitement of ball games, dates, and parties. Most sophomores, however, worked hard during the year and hope to have gained the knowledge they need to help them in future productions.

MOTTO - "On the road to success."

COLORS - Red and White

FLOWER - Rose

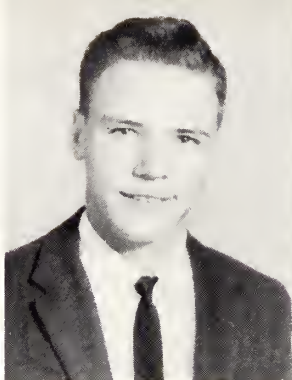

Six of the girls and two of the boys made the varsity basketball team. As a group the Freshman Class went on a bus to the Raleigh Fair; everyone had a wonderful time. The Freshmen did their part for the Christmas party, the Twirp-Twirl, and all the activities of the high school. As the end of the year drew to a close, the Freshmen were looked upon as very capable students and willing leaders for the film to be continued by them in the next three years.

On August 31, 1960, forty frightened Freshmen began their production of their four years of high school. It was not long before they knew their way around and were beginning to feel at ease in the high school halls. They selected Jo Dana Dubinsky and William Black for the Amo-ena Staff. Many of the boys and girls became 4-H, Library, and Glee Club members. Buddy Fonville was elected Student Council Representative and Anita Snipes was chosen Freshmen Cheerleader.

ACTIVITIES

Amo-ena Staff

On this page are the people who have worked hard to make this 1961 Amo-ena possible; they were assisted by Pat Faucette and Pam Small and by our artists Marilyn Dunn and Carolyn Smith. Their work began in October with a few sheets of paper and a few ideas; their work ended on that happy day in May when you received your yearbook. Our purpose has been to publish a yearbook of high scholastic and literary value and to present for you a true picture of your school year 1960-1961, which we hope will become one of your most cherished possessions.

"Here are the names of my classmates
Written in friendship true;
Though our paths may vary and widen,
I will always be thinking of you.

And I'll keep this priceless treasure.
As I climb up life's steep ways
To preserve the fondest memories
Of our happy youthful days."
